

FEELIN' ALRIGHT

Piano intro C riff – drums and bass minimal until chorus

Seems I got to have a change of scene
Every night I have the strangest dream
Imprisoned by the way it could have been
Left you on my own or so it seemed
I got to leave before I start to scream
But someone locked the door and took the keys

CHORUS – drums & bass full

**You feelin' all right, oh oh
I'm not feelin' too good myself, oh oh
You feelin' all right, oh oh
I'm not feelin' too good myself, oh oh**

Boy, you sure took me for one big ride
And even now I sit and I wonder why
Then when I think of you, I start myself to cry
Just can't waste my time, I must get by
Gotta stop believin' in all your lies
'Cause there's too much to do before I die

CHORUS

(Feelin' all right) don't you get too lost, in all I say
In a better time, you know I really felt that way
But that was then and now you know it's today
I can't get safe, so I guess I'm here to stay
'Til someone comes along and takes my place
With a different name, and a different face

Outro = “Feelin’ alright” X 3 > last time A Capela > stop
