

GET UP STAND UP*Intro = G// G// G Am X2*Get up, stand up: **stand up for your right**Get up, stand up: **don't give up the fight** (don't give up the struggle)Get up, stand up: **stand up for your right** (life is your right)Get up, stand up: **don't give up the fight**

Preacher man don't tell me
 Heaven is under the earth
 I know you don't know
 What life is really worth
 It's not all that glitters is gold
 Half the story has never been told
 So now you see the light, eh!
 You stand up for your right Come on!

Some people think
 Great God will come from the sky,
 Take away everything
 And make-a everybody feel high
 But if you know what life is worth,
 You will look for yours on earth
 And now you see the light,
 You stand up for your rights

We sick an' tired of your racism games
If they don't look like you, they must be to blame
Come on now and understand
Living together is the master plan
 You can fool some people sometimes,
 But you can't fool all the people all the time
 So now we see the light (What you gonna do?)
 We gonna stand up for our rights

Stand up for your right X 3 *outro = intro G// G// G Am X2*
